## **Kerry Properties' First Sustainability Report Clinches Multiple Recognitions at Two International Awards**

(Hong Kong, 27 February 2018) The inaugural Sustainability Report 2016 issued by Kerry Properties Limited (“**Kerry Properties**”) was recently awarded in **Asia Sustainability Reporting Awards 2017** and **MERCURY Excellence Awards 2017-2018** respectively.

The Sustainability Report of Kerry Properties was awarded the “Asia’s Best First Time Sustainability Report” in Asia Sustainability Reporting Awards 2017. The accolade justifies Kerry Properties’ first Sustainability Report have demonstrated a promising start by producing a well-round report focused on material topics and stakeholder engagement. The awards presented by CSRWorks International Pte Ltd, a leading provider of corporate social responsibility services in Singapore, aim to recognise and honour sustainability reporting leaders in Asia, and celebrate best practices in sustainability reporting and communications. Competition was tough as there are many listed companies in Asia and large-scale multinational conglomerates competing in the awards each year.

In addition, Kerry Properties received four recognitions from another international competition, the MERCURY Excellence Awards 2017-2018:

1. Publicity: Sustainability Awareness (Gold Award)
2. Overall Presentation: Sustainability Report (Silver Award)
3. Design: Environmental Report (Silver Award)
4. Websites/Mobile Media: Investor/Shareholder Relations Site (Honour)

The MERCURY Excellence Awards was established by MerComm, Inc. to promote excellence, quality and performance in various fields of communication and promotion. It has been receiving entries from all around the world during the past 31 years, which made it another keen competition in the world.

Kerry Properties’ Sustainability Report 2016 defines and announces the Group’s sustainability roadmap. The report was prepared in compliance with the Stock Exchange of Hong Kong’s Environmental, Social and Governance Reporting Guide. The report discloses the Group’s sustainability performances in terms of environmental protection, responsible operation, staff caring and community investment. This helps the general

public and stakeholders of the Group to have better understanding to Kerry Properties' effort spent in these sustainability related issues. To follow the sustainability principles of Kerry Properties, its Sustainability Report was only provided in digital version to save paper and preserve natural resources.

Being recognised in international awards for the second time in a row had proven Kerry Properties' steadfast commitment to upholding the highest standards of corporate governance. The awards show that Kerry Properties' Sustainability Report can elaborate the Group's sustainability performance in a comprehensive and fair manner and shall drive us to seek further enhancement in sustainability aspects.
